

IS ALCOHOL AND OTHER DRUGS USE A PROBLEM IN YOUR COMMUNITY ?

If so, the Alcohol & Other Drugs Program is offering \$\$\$ to help you address the problem.

The community support incentive grants are available to reduce the damaging effects that alcohol and other drugs have on the health and well-being of Indigenous people in the Top End of Northern Territory. Grants of up to \$2,500 are available for community projects that aim to address alcohol and other drugs issues by:

<ul style="list-style-type: none"> ❖ Empowerment of community people ❖ Different services working together on community ❖ Development of community projects, ie. Youth, men's, women's or joint ventures ❖ Must have community agreement and participation ❖ Promotion of healthy lifestyle choices with AOD presentations/events – can be in conjunction with Sport&Rec, Nutrition etc. ❖ Meet AOD prevention/intervention requirements. 		<ul style="list-style-type: none"> ❖ Not for individual or group sponsorship reasons ❖ Not for resource funding UNLESS there is a balance with community development projects.

It is recommended that you gather support from the Council and local community members to ensure that the project/program is fully supported. The community must support the application.

Incentive grants must be spent by June 2012. Priority will be given to projects that are likely to have ongoing health promotion outcomes after the project is completed.
